

**“Providing IT Solutions for the Way You Do Business”**  
**Corporate Capability Statement**

**Capabilities**

DPNS Network Solutions is a Multi-Agency certified Minority Owned Business Enterprise (MBE) IT Consulting Firm that serves as a single point of contact for all your IT needs. Our full suite of professional IT services will enhance your company's network efficiency, data security and performance reliability. We specialize in network upgrades and providing remote helpdesk support. Our web based issue management tracking system and monitoring software allows us to stay on top of our clients' IT infrastructure from our Enterprise Level Network Operations Center (NOC) 24x7x365 days a year. DPNS strives to create a proactive IT environment and looks to minimize business impacting disruptions and outages before they occur.
